Wisconsin Pipe Trades Association Launches Pipetradecareers.com

Announcement Coincides with National Apprenticeship Week in Wisconsin

In celebration of National Apprenticeship Week, the Wisconsin Pipe Trades Association is formally introducing **PipeTradeCareers.com**, Wisco's newest opportunity Hub, designed for anyone seeking meaningful careers in Wisconsin's Highly-Skilled Unionized Piping Industry. **PipeTradeCareers.com** is designed to provide a starting point for careers in the piping industry that is accessible 24 hours a day, 365 days a year through any smartphone, tablet or computer.

"Whether you're seeking a career as a Plumber, Steamfitter, Sprinkler Fitter, HVAC/R Service Technician, or Fabricator/Welder, **PipeTradeCareers.com** is your one-stop shop to learn about and seek out Pipe Trades Apprenticeships anywhere in Wisconsin," said Terry Hayden, President of the Wisconsin Pipe Trades Association.

"Careers within the Wisconsin Pipe Trades local unions provide life-long learning and professional growth opportunities along with industry leading wages and benefits" added Hayden.
